

- Breeders should give 1 ticket to each new pup owner at the time they present the puppy registration application to the new owner.
- New owners complete the pup ticket to enroll their pup in the SBC Program. Then mail the new puppy registration application & pup ticket together.

I (we) acknowledge that sire, dams, and pups participating in the AKC Supreme Breeders Club Program may be subject to random parentage DNA checks to ensure integrity of the program. Failure to comply will result in the forfeiture of awards and may result in the suspension of AKC Privileges. SBC Enrollment fees are nonrefundable, and award amounts are not guaranteed. The first listed owner of the pup, sire or litter on record with the AKC as of December 1 of the competition year shall be eligible for awards.

What makes SBC the right choice?

- Breed to ANY AKC registered sire you choose.
- Awards are paid for titles earned. "Beat the dogs you draw, that's all" cast win system, means you don't have to win the entire hunt to earn titles. There is no point system. A level playing field is offered.
- Only dogs earning titles, earn payout awards, meaning payouts will typically be larger than other popular programs.
- Breeder's award is 2x's the size of other programs; 20% compared to 10% of the pup's award.
- Sire enrollment is 1/2 the price of the most popular program; \$50 compared to \$100 or more.
- Build heritage for your kennel with the world's oldest & largest purebred dog registry, & all its resources.
- AKC's expanding network of clubs provides many opportunities to earn titles locally with less expense.
- Payouts are based on titles earned by an enrolled pup during a competition year which runs Jan-Dec.

- Breeders receive 20% of the payout awarded to the pup owner. and sire owners receive 10% if the sire is enrolled. Sire enrollments must be renewed annually.
- All dogs in program must be AKC registered. In order for pups to be officially enrolled, the litter they are born out of **MUST BE ENROLLED**. Anyone can enroll a litter.
- Pup & litter enrollment fees are due 1x for the lifetime. Sire enrollment fees must be renewed annually and are optional.

The purpose of the SBC program is to reward breeding programs that produce coonhounds whose hunting ability has been tested and proven.
