

AMERICAN KENNEL CLUB

2010 SUPREME BREEDERS CLUB SIRE RENEWAL FORM

(This form can be used in lieu of your renewal letter)

Thank you for your SBC enrollment that was received in either 2008 or 2009. The pups born in the years you selected and who earn titles during the competition year of 2009, will provide you with 10% of an equal amount of the Annual Title Award.

In order for sire owners to keep their enrollments active on pups born throughout the years of 2007-2009, sire owners will need to do an annual sire renewal. This renewal will insure that the payout award for any pups born in those years and who earn titles during the 2010 competition year will be sent to the sire owner.

Table with 3 columns: Fee Amount, Renewal Fee if received by, and Deadline Date. Rows include \$50, \$100, and \$200 fees with corresponding dates: March 31, 2010; July 1, 2010; and December 31, 2010.

The earlier the renewal, the more savings benefit that will be received. In order for sire owners to receive the payout award, the annual sire renewal cannot lapse. To complete the annual sire renewal, sire owners must sign below and submit the correct renewal amount according to the date that is most convenient.
