The Junior Number assigned to you will be used to track your participation as the handler in coonhound hunts and shows. If you do not have this number we cannot include your wins to our Bench Show Youth Rankings or in our Youth National SPORTMIX Standings which entitle you to awards and invitations to the Youth World Championship. Official AKC Standings can be found in monthly issues of American Cooner Magazine and posted weekly at: [www.akccoondogs.org](http://www.akccoondogs.org)

### ***When you are entering a hunt or show***

Please check yes the dog was youth handled on the entry slip to indicate the dog is youth handled. At a show please tell the entry taker or BSJ to mark on the report you are a youth handler. When youth have multiple dogs at a show youth handlers will receive credit for only those dogs they actually handled during their particular class.
